

TRANSFER AGREEMENTS

In an effort to best meet the educational needs of our students, Frederick Community College has worked to create partnerships and articulation agreements with many two- and four-year colleges and universities in Maryland and surrounding areas.

Articulation agreements are explicit arrangements between FCC and other institutions to help ensure the maximum transfer of credits and create other partnerships beneficial for transfer students. Articulation agreements are not required for students to transfer and students should consult with an advisor to better understand their transfer options.

Frostburg State University

Computer Science

In addition to the system-wide articulation with Frostburg State University and other Maryland State universities, Frederick Community College and Frostburg have established an articulation agreement to streamline transfer of Computer Science students to the Computer Information Systems program at Frostburg. Students can transfer a maximum of 70 credits and must maintain a 2.0 cumulative GPA. For more information, contact Career and Academic Planning Services at 301.846.2471.

Dual Admission

Frederick Community College has entered into an agreement with Frostburg State University which will allow students to complete their associate's degree at FCC while maintaining dual admission to FSU. While enrolled at FCC, Dual Admission students will have access to services at FSU including academic advising, along with the use of library resources and other on-campus facilities at FSU and the University System of Maryland Center in Hagerstown. An application for dual admission can be obtained at the Welcome Desk. For more information, contact Career and Academic Planning Services at 301.846.2471.

Information Systems Management

In addition to the system-wide articulation with Frostburg State University and other Maryland State universities, Frederick Community College and Frostburg have established an articulation agreement to streamline transfer of Information Systems Management students to the Computer Information Systems program at Frostburg. Students can transfer a maximum of 70 credits and must maintain a 2.0 cumulative GPA. For more information, contact Career and Academic Planning Services at 301.846.2471.

Nursing

The purpose of this agreement is to enhance and maintain the relationship between FCC students and FSU by offering dual enrollment to FSU. Students who have been accepted to FCC's Nursing Program or who have completed the Associate Degree in Nursing at FCC and have an unencumbered RN license in the United States or are qualified to complete their state RN licensure exam and have completed the majority of prerequisite course work and general education requirements are eligible for dual enrollment. For further information, contact Jennifer McAninley, Academic Advisor at FCC, 240.629.7935.

Social Science

In addition to the system-wide articulation with Frostburg State University and other Maryland Universities, Frederick Community College and Frostburg have established an articulation agreement to streamline the transfer of Social Science students to the Social Science program at

Frostburg. Students must have graduated from FCC and maintained a 2.0 cumulative GPA. For further information, contact Career and Academic Planning Services at 301.846.2471.

Goucher College

In an effort to enhance and maintain the relationship between FCC and Goucher College, transfer students from FCC's Honors College program are guaranteed admission into Goucher College during the fall semester or spring semester after completing a degree or earning 60 credits at FCC with a 3.5 cumulative grade point average. Additionally, Goucher College will also consider waiving the application fee, consideration for transfer merit scholarship, and an additional \$2,000 scholarship if the student is a Phi Theta Kappa member. Interested students should contact the FCC Honors Program Coordinator for further information.

Harrisburg University of Science and Technology

Biotechnology

Frederick Community College maintains an articulation agreement for students who graduate with the A.A.S. degree in Biotechnology to transfer to complete their Bachelor's degree in Biotechnology at Harrisburg University of Science and Technology. Students must maintain a 2.0 GPA or higher and only courses with a grade of "C" or higher will transfer. For more information, contact Career and Academic Planning Services at 301.846.2471.
