

TRANSFERRING IN CREDITS

College & University Credit

Credit may be granted for coursework completed at accredited colleges and universities. All transferable coursework with a grade of "D" or above may be accepted in transfer. Grades of "D," however, will not be accepted for any course within a program of study that requires a grade of "C" or higher. A grade of "D" can be used to fulfill a prerequisite unless the prerequisite requires a grade of "C" or higher. The state of Maryland requires that a student earn a grade of "C" or higher in ENGL 101, English Composition.

Air Force Office Training Corps (AFROTC)

FCC is a crosstown partner with the Air Force ROTC unit at University of Maryland College Park. Air Force ROTC is a college program that allows students to earn their degree while training to become an Air Force officer. AFROTC offers challenges and benefits unique among student organizations and training programs on a college campus. Students receive invaluable leadership training, are involved in community events, and visit active-duty Air Force bases as part of the program.

Additionally, all course materials and uniform items needed for the AFROTC courses are provided at no cost, and students can compete for scholarships to help pay tuition. Most importantly, the program can lead to an exciting career in the U.S. Air Force. For more information, visit www.afrotc.umd.edu (<http://www.afrotc.umd.edu>), send an email to afrotcdet330@umd.edu, or call the UMCP Campus at 301.314.3242 or contact Career and Academic Planning Services at 301.846.2471.

Federal Emergency Management Agency (FEMA) Courses

FCC evaluates and grants academic credit for eligible FEMA Independent Study (IS) courses. Courses developed by FEMA are available to be completed online for Continuing Education units (CEUs). Upon successful completion of a course, students can convert their CEUs to academic credit at a cost of \$90 per credit hour (subject to change).

Students wishing to pursue a Letter of Recognition, Certificate, or A.A.S. in Emergency Management from Frederick Community College are required to complete several online courses through FCC, in addition

to completing and converting their FEMA coursework to college credit. These online FCC courses are instructor-led experiences designed to validate student knowledge, earn letter grades, and acquire a GPA. Online FCC courses in this program occur during five-week periods, according to the academic calendar. See the FCC website at frederick.edu/fema (<http://frederick.edu/fema/>) for more information.
