Program Description

Introduces students to the rich history and culture of the Deaf community. Students will gain fluency and mastery of American Sign Language (ASL) by acquiring foundational skills and knowledge of the Deaf community. Students gain cultural competency by becoming involved in their local Deaf community through coursework and internships. Students gain a solid foundation to further their studies in American Sign Language, interpreting, and education of the Deaf or other related fields. Students will transmit their knowledge and promote respect for the rich history and culture of their local Deaf community. Students will be required to complete the ASL Proficiency Interview before graduation.

Program Learning Outcomes

- Compare and identify linguistic components of and relationships between languages, spoken and signed.
- Create new local and global understandings of d/Deaf languages and cultures through assessments of current knowledge and independent research.
- Critically judge and assess the quality of current ways of thinking about language and culture on local and global scales.
- Converse fluently in ASL with peers, both Deaf and hearing, by applying the language in conversations, ASL storytelling, or narratives.
- Explain and apply the ASL grammar structures in dialogues.
- Demonstrate knowledge of the Deaf culture, heritage, and Deaf values through signed presentations, papers, and written exams.

Program Requirements

- Students must complete their credit **English and Mathematics** within the first 24 credits.
- One course must meet the cultural competence graduation requirement (<https://frederick-public.courseleaf.com/general-education-core/#cultural>).
- **CORE: The General Education CORE** is that foundation of the higher education curriculum providing a coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. <http://artsys.usmd.edu/>
- In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course

list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.

- For the Physical Education, Health, or Nutrition requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- Students must earn a grade of "C" or better in ENGL 101 English Composition.
- Students must complete a minimum of nine credits at the 200-level.

1

Take within first 24 credits.

Part-time Students

Part-time students should complete courses in the order listed on the pathway. Please contact program manager for questions about part-time status.

Students who take fewer than 15 credits each semester or who require developmental English or Math coursework will need additional semesters to complete their degrees. Summer term and January session classes may help students to make faster progress.

Pathway Legend

Milestone - courses with the Milestone notation should be taken within the recommend credit range to stay on track for program completion.
