Program Description

Designed for students whose career goals are oriented toward the creative field of film & video production, including motion picture and television production, motion graphics, video marketing, web videos, and short & long form screenwriting. The area of concentration is designed to prepare students to transfer to a four-year institution.

Program Learning Outcomes

- Demonstrate proficiency in use of current industry standard software.
- Produce works of digital and interactive art in a variety of media.
- Demonstrate and appreciate the creative/problem solving process through research, development, and execution of digital media.
- Comprehend the responsibilities associated with professional behavior by participating in an internship.
- Enhance skills as critical thinkers, effective problem solvers, and effective ethical communicators who demonstrate professional behaviors consistent with industry standards.
- Demonstrate ability to plan, produce, and edit digital productions that reflect an awareness of current visual and interactive media standards appropriate for entry or intermediate level professional work.
- Demonstrate current digital media skills, procedures, and techniques in order to function successfully as entry-level employees in a professional production facility.

Program Requirements

- Students must complete their credit **English and Mathematics** within the first 24 credits.
- One course must meet the cultural competence graduation requirement (<https://frederick-public.courseleaf.com/general-education-core/#cultural>).
- **CORE: The General Education CORE** is that foundation of the higher education curriculum providing a coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. <http://artsys.usmd.edu/>
- In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course

list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.

- For the Physical Education, Health, or Nutrition requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- Students must earn a grade of "C" or better in ENGL 101 English Composition.
- Students must complete a minimum of nine credits at the 200-level.

1

Take this course within the first 24 credits.

Part-time Students

Part-time students should complete courses in the order listed on the pathway. Please contact program manager for questions about part-time status.

Students who take fewer than 15 credits each semester or who require developmental English or Math coursework will need additional

semesters to complete their degrees. Summer term and January session classes may help students to make faster progress.

Pathway Legend

Milestone - courses with the Milestone notation should be taken within the recommend credit range to stay on track for program completion.

Fall, Spring, Summer - courses with a Fall, Spring, or Summer notation indicate the course is offered in the specified semester only.
