

ARTS & SCIENCES A.A. OR A.S. (TRANSFER)

The Arts & Sciences degree will be discontinued since the Health & Exercise Sciences Area of Concentration has been discontinued and the Pre-Health Professions Area of Concentration is being discontinued.

Program Description

Designed for students who plan to go on to a four-year school and major in one of the traditional arts and sciences subjects. **Students may not choose Arts & Sciences as a major but should select an Area of Concentration within Arts & Sciences.** Students should consult with an advisor as early as possible to ensure that all or most of their course credits will transfer to the four-year institution of their choice.

Program Requirements

- Students must complete their credit **English and Mathematics** within the first 24 credits.
- One course must meet the cultural competence graduation requirement (<https://frederick-public.courseleaf.com/general-education-core/#cultural>).
- **CORE: The General Education CORE** is that foundation of the higher education curriculum providing a coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. <http://artsys.usmd.edu/>
- In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.
- For the Physical Education, Health, or Nutrition requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- Students must earn a grade of "C" or better in ENGL 101 English Composition.

Code	Title	Credits
English		
ENGL 101	English Composition	3
Mathematics		
Mathematics Elective (Gen Ed course list) (https://frederick-public.courseleaf.com/general-education-core/#mathematics)		3
