Program Description

Prepares students to work as an entry-level American Sign Language (ASL) interpreter to facilitate and mediate communication between Deaf/hard of hearing and hearing people. Students will develop skills both receptive and expressive American Sign Language. Students will experience a variety of learning environments, including classroom work, laboratory practice and field placement. Students will be required to have both in-class and out-of-class experience with members of the Deaf community to further develop ASL fluency and cultural competency. Upon graduation, students will be prepared to work as an entry-level interpreter in the field or to continue their studies at a four-year institution.

* Students are required to maintain a B or higher in all ASLS and INTP courses in order to continue in the program. Students will be required to meet with the Program Manager for admission into the Program.

Program Learning Outcomes

- Apply theoretical, ethical, cultural, and practical knowledge of the interpreting field needed to pass the RID certification knowledge written test.
- Understand major linguistic features of ASL and English and the major cultural features of Deaf and non-Deaf communities.
- Possess cognitive processing skills to effectively interpret between English and American Sign Language and to transliterate between spoken English and a signed form of English.
- Comprehend different modes of interpreting/transliterating (i.e. consecutive and simultaneous) and choose the appropriate mode in a given setting/situation.
- Provide an accurate and appropriate transfer of a message from a source language into a target language from the point of view of style, culture, and the linguistic needs of the consumers.

Program Requirements

- Students must complete their credit **English and Mathematics** within the first 24 credits.
- One course must meet the cultural competence graduation requirement (<https://frederick-public.courseleaf.com/general-education-core/#cultural>).
- **CORE: The General Education CORE** is that foundation of the higher education curriculum providing a coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. <http://artsys.usmd.edu/>

- In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.
- For the Physical Education, Health, or Nutrition requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- Students must earn a grade of "C" or better in ENGL 101 English Composition.
- Students must earn a grade of "B" or better in all ASLS and INTP courses in the ASL Interpreter Preparatory Program A.A.S. degree.

1

Take this course within the first 24 credits.

**Admission into the IPP will be through application and review of the approval board.

Part-time Students

Part-time students should complete courses in the order listed on the pathway. Please contact program manager for questions about part-time status.

Students who take fewer than 15 credits each semester or who require developmental English or Math coursework will need additional semesters to complete their degrees. Summer term and January session classes may help students to make faster progress.

Pathway Legend

Milestone - courses with the Milestone notation should be taken within the recommend credit range to stay on track for program completion.

Fall, Spring, Summer - courses with a Fall, Spring, or Summer notation indicate the course is offered in the specified semester only.
